

# INTRODUCING THE CATTEL CHALLENGE BY PRIMEPLUS FUNDING:

## Challenge Overview:

The Catel Challenge is a one-step challenge designed to elevate your trading journey with PrimePlus Funding. Traded on the advanced MT5 platform, this challenge sets rigorous standards for traders to showcase their skills and potential.

## Challenge Parameters:

- **Overall Drawdown Limit:** Traders must maintain a maximum overall drawdown of 12%.
- **Daily Drawdown Cap:** Traders are restricted to a daily drawdown limit of 4%.
- **Profit Target:** To pass the challenge, traders must achieve a profit of 12% within 30 days.

## Evaluation Criteria:

- **Drawdown Calculation:** Our drawdown evaluation is based on the trader's account balance, ensuring fairness and transparency.
- **Minimum Trading Period:** Traders must actively trade for a minimum of 5 days to qualify for funded status.

## Challenge Deadline:

The Catel Challenge must be successfully completed within a 30-day timeframe. If the challenge is not met within this period, it will be breached, and the challenge will be canceled.

## Profit Sharing:

Successful traders who pass the Catel Challenge enjoy a generous profit share of 75%, with PrimePlus Funding receiving 25%.
